

April is OT Month: We are so thankful to have Jane Yaklin as our OT at Coastal Pediatric Therapies! As most of you know, Jane is a Savannah native, she attended Armstrong State College and earned her Occupational Therapy Degree at the Medical College of Georgia. Jane recently attended a workshop on “Visual Processing, Visual Perception, and Visual-Motor Skills in Pediatrics.” She has enjoyed implementing some of these new strategies with the kids.

April is Autism Acceptance Month!

April Autism Acceptance Month was first recognized in 2011 as a month to focus on sharing respectful, positive, and accurate information on autism. “Autism Acceptance Month is about treating people with autism with respect, listening to what those with ASD have to say about themselves, and making children/adults with ASD welcome in the world.”
