

HAPPY NEW YEAR

January 2019

A BIG Thank You!

We hope everyone had an enjoyable holiday season spent with family and friends and hopefully finding a bit of time for some relaxation! Our Coastal Pediatric Therapies team is excited to welcome the new year and see what 2019 has in store for everyone.

We also want to thank you again for your patience and support with our changes in 2018. It was quite a busy year with the move to the new office space and changing our name, but we are so excited to be settled and ready to jump right in to the new year! As always, our patients and their families are our number one focus so never hesitate to let any of

us know how we can better serve your needs. Together we will strive to make 2019 another successful and memorable year!
