## May is Better Hearing & Speech Month

**COMMUNICATION**  
ACROSS THE LIFESPAN

Better Hearing & Speech Month

Better Hearing and Speech Month was founded in 1927 to raise awareness about hearing and speech problems! As communication experts, SLPs encourage others to seek help if they think they a loved one is experiencing any speech or language issues. Treatment can help people with communication problems, self-esteem and overall confidence. Speak with your speech therapist today or visit the [BHSM website](#) for free resources.

At the end of May, we will celebrate Memorial Day and wanted to take a moment to say thank you to everyone who has served or is currently serving our country. Coastal Pediatric Therapies hopes that everyone enjoys this holiday weekend! There is a lot going on in and around Savannah! See below for some event ideas for this kickoff to summer weekend!

### Office Calendar/Community Events

**Saturday, May 11<sup>th</sup>:** Horsin' Around is inviting families with children of all ages diagnosed with autism to come join us for a morning of horseback riding (your child must be at least 2 years old and under 150 pounds), grooming, arts & crafts, and more. This is a [free event](#) and siblings are invited to join in on the fun as well. Please wear closed toe shoes. You will NOT be allowed near horses in flip flops!
