Coastal Pediatric Therapies supports MRCA

During the 2019 Matthew Reardon Center Autism Conference, we held a fundraiser to raffle signed copies of the speaker’s publications. The money raised from this effort was used to purchase a “Crash Pad,” which encourages movement-based activities for kids with sensory needs. We have already seen the children at Matthew Reardon Center enjoying it in their gym area!

AMBUCS Sponsored Bowling Camp

During the month of June, one of our physical therapists, Paula Green, teamed up with another PT in the community and organized a four-week long bowling camp for “twens and teens.” These guys and gals are not quite old enough for Saturday AMBUCS bowling league so she thought a “summer camp” opportunity would be a fun way to get everyone together and participate in a good physical activity. We want to thank all the volunteers for helping and supporting this great event. The kids had a blast! Thank you AMBUCS and Mrs. Paula!
