

October is certainly a busy month with everything going on in and around Savannah! We have picked just a few of those fun events that we have heard about and/or are participating in to share with all of our wonderful families and friends of the practice!

- Saturday, October 5th 10:00 – 2:00: 14th Annual Lowcountry Down Syndrome Buddy Walk: Join the [Lowcountry Down Syndrome Society](#) for our 14th annual Buddy Walk at Forsyth Park to honor and celebrate individuals with Down syndrome.
- Saturday, October 12th 9:00 – 12:00: Savannah AMBUCS is hosting their 8th Annual Celebrity BOWLAPALOOZA at The AMF Savannah lanes on Tibet Ave. We are excited that our very own, Mrs. Anna, is one of the “Celebrity Bowlers” this year!

JOIN LDSS THIS SATURDAY IN FORSYTH PARK!

Join us in Forsyth Park this Saturday (October 5th) as Coastal Pediatric Therapies participates in the Buddy Walk and Fall Festival. Stop by our booth for a “cool” treat and say hello to some of our awesome therapists and staff. This event raises awareness and funds for programs that benefit people with Down syndrome and their families. All things LDSS Buddy Walk are taking place on the new website at <http://dev.ds-stride.org/ldssbuddywalk>. You may pre-register online up until Wednesday, October 2nd (to avoid waiting in line the day-of) or can register at the park on Saturday starting at 8:30am. Registration includes T-Shirt, lunch, and family fun festival following the walk. We hope to see you there!

Coastal Pediatric Therapies Newest AMBUCS Bike Recipient

Overheard in our clinic was one excited and proud Mom “We finally found a bike that fits you perfectly...it warms my heart!” ❤️

Our physical and occupational therapists acknowledge the AmTryke® tricycle’s many therapeutic benefits, including improved motor skills, strength development and self-esteem. On, Tuesday, October 1st, one of our own patients got a brand new AMBUCS tricycle to take home. Our PT, Mrs. Paula, ordered this AmTryke® to fit our girl just perfectly and with the help of Mrs. Paula’s husband, Walt, all adjustments were made and she was ready to go. This young lady got to ride around inside and outside our office trying out her new wheels. She now will be able to join her sister and parents on family bike riding adventures. We are so excited for this sweet girl and her family!
